About The Navy SEAL Foundation

What is a SEAL? A common sailor with an uncommon desire to succeed. A SEAL's unflinching commitment to accomplishing his mission is something that cannot be taught. Beyond his rigorous physical training, mental discipline and technological resources, it is his extraordinary, innate force of will that ensures a SEAL's place amongst the pinnacle of elite warriors.

"The Navy SEAL Foundation provides immediate and ongoing support and assistance to the Naval Special Warfare community and its families. Since the attacks of Sept. 11, 2001, there has been an unprecedented demand for our Special Operations Forces. Never before has so much been asked of so few, from so many, for so long. Established in 2000 to serve U.S. Navy SEALs, Special Warfare Combatant-craft Crewmen, Naval Special Warfare support personnel and their families, the Navy SEAL Foundation's programs are focused on the preservation of the Naval Special Warfare force and their families. We provide a comprehensive set of programs specifically designed to improve health and welfare, build and enhance resiliency, empower and educate families and provide critical support during times of illness, injury, loss and transition."
